

Business Analytics BA602 – Individual Report Assignment Brief

Submission Deadline: 15th May 2026, 23:59 (GMT)

1. Assignment Overview

This individual report requires you to analyse a real-world business case using the frameworks covered in Weeks 1–10. You must submit your work as a single PDF file through the university's online submission portal.

2. Format Requirements

The report must be submitted in PDF format only. Word documents and other formats will not be accepted. The file name must follow the template:

StudentID_LastName_BA602.pdf (e.g., 24019381_Morgan_BA602.pdf).

3. Word Count

The main body of the report must not exceed 2,500 words. This limit excludes the Executive Summary, References, and Appendices. Please note that the word count is strict – submissions exceeding the limit will be penalised by 5% per 100 words over.

4. Required Sections

Your report must include the following sections in order:

- Executive Summary
- Introduction
- Analysis
- Findings and Discussion
- Conclusion
- Recommendations
- References
- Appendix (optional)

5. Page Limit and File Size

The report must not exceed 15 pages. The PDF file size must be no more than 20 MB. Files exceeding either limit will be rejected by the submission system.

6. Anonymity and Blind Marking

This assignment is subject to anonymous marking. Do not include your name, student ID, or email address anywhere in the document body. The cover page should contain only your student ID number, not your full name. Any identifying information in the document metadata (Author, Title fields) must be removed before submission.

7. Referencing Style

All sources must be cited using APA 7th edition referencing style. A complete reference list must be included at the end of the document. In-text citations should follow the (Author, Year) format.

8. Submission Instructions

Upload your completed PDF to the BA602 submission portal on the university learning
